NTMA Job of the Year

“From a design architect’s perspective we were very pleased with the overall craftsmanship and quality of the poured terrazzo floors by David Allen Company at the Ronald Reagan Washington National Airport. Even though the scope of the floor finish was extensive and the pattern complex, David Allen Company was quite successful in fulfilling our design intentions.”

TERRAZZO

“Terrazzo was selected for Miami International after a comprehensive study during the design phase. It investigated almost every type of flooring and included interviews with maintenance and operations directors of airports in the U.S. and abroad. It concluded that a smooth, seamless, hard surface was the best floor for public areas of today’s airport. Terrazzo was the number one choice to meet that criteria.”

TERRAZZO

Clark County High School, Berryville, VA

“We would all like to use terrazzo because we know it will be there and look good for the life of the building — and it is low maintenance. Studies have shown, if you base your floor selection on life-cycle cost, Terrazzo is half or less the cost of VCT or carpet!”

Centre in the Square, Roanoke, VA — NTMA Honor Award

The Terrazzo designs in this 158,000 square foot, 100-year-old building renovation used over 70 colors and 30 different aggregates. Floor murals blend abstraction, realism, and varied perspectives, depicting a butterfly with a 66-foot wing perched on an iris, a railroad wheel, a series of stars, a bouquet of daisies, and a pair of comedy and tragedy masks.

GREEN TERRAZZO

KEY FEATURES OF THE GREEN BUILDING COUNCIL'S RATINGS FOR CEMENT & EPOXY TERRAZZO

Composition and Embodied Energy: Terrazzo is composed of naturally occurring materials.

Recycle/Reuse Content: Terrazzo can contain as much as 100% recycled content.

VOC Off-Gassing and Indoor Air Quality: Both cement based and thin set epoxy terrazzo systems are comprised of zero VOC materials.

Overall, on typical projects, terrazzo can realistically contribute to **five LEED credits**, or up to eight on a case-by-case scenario.

Overall Cost Savings of Terrazzo Versus Other Common Types of Commercial Flooring in the Southeast US:

Commercial Flooring Types	Cost (Per Sq. Ft. Installed)	Annual Cost of Maintenance (Per Sq. Ft.)	Initial Cost + 10 Years Maintenance	Replacement Cost (Per Sq. Ft.)	Frequency of Replacement	Forty Year Cost*	Annual Cost (Per Sq. Ft.)
Sand Cushion Terrazzo	\$16.11	\$0.52	\$21.35	N/A	40 Years	\$37.06	\$0.93
Monolithic Terrazzo	\$9.70	\$0.61	\$19.01	N/A	40 Years	\$37.38	\$0.93
Epoxy Terrazzo	\$14.50	\$0.43	\$18.85	N/A	40 Years	\$31.90	\$0.80
Vinyl Sheet	\$3.58	\$1.12	\$14.78	\$3.58	10 Years	\$62.71	\$1.57
Carpet	\$3.34	\$1.23	\$15.67	\$3.34	10 Years	\$66.02	\$1.65
Vinyl Tile	\$1.21	\$1.18	\$13.05	\$1.21	10 Years	\$53.41	\$1.34
Porcelain Tile	\$8.06	\$0.98	\$17.88	\$0.00	40 Years	\$47.37	\$1.18
Quarry Tile	\$7.25	\$0.98	\$17.08	\$0.00	40 Years	\$46.56	\$1.16

OUR MISSION

Work together as a team to provide our customers with quality products and services at competitive prices.

Provide each employee with challenging career growth opportunity and financial achievement.

Treat each other, customers, and suppliers with dignity and respect.

Where there is no vision, the people perish.

Proverbs 29:18

OUR VISION

Contractor of choice to our customers,
Employer of choice to our team.

QUALITY

David Allen Company has received three times more Honor Awards from the National Terrazzo and Mosaic Association (NTMA) for Quality Workmanship than all of the other Terrazzo contractors in the Southeastern United States (Maryland to Florida) combined!
